

I heard they kept on cross-breeding so much that there are some creatures that we've never seen before

they left all the animals behind just because of commercial failure

however it is, that safaripark company is so irresponsible

our precious students almost became feed for the sharks!

there were claims about the captain using the only lifeboat

we should investigate this, principle!

hm

why did the ship sink in the first place?

I bet if you  
take a picture  
here, stuff  
you're not  
supposed to be  
able to see  
will be shown  
in it

L. I don't  
think there's  
any wind

.....

oh my, the  
wind is  
slamming  
the doors

I'm sorry  
it's so loud

SLAM

something  
invisible is  
excited for some  
reason...

SLAM

what a waste~

what, you guys were still alive?

oh.. they're here they're here

I know that

AND what's wrong you guys?  
you're all shaking all shaking

you just wasted your breath telling me

don't snap at these scum, Bear

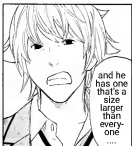

I thought you guys were already snark food!

you can't cause trouble for sensei

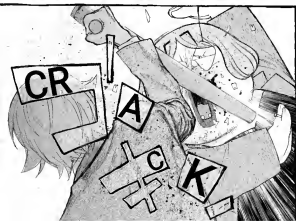

note: wolf's bane is a poisonous plant

over  
there

those  
guys are  
hogging  
them

.....

oh  
it's you,  
Ricky

are you  
the fuckin'  
leader  
of this  
prisoner  
group?

Ge-  
tsuto

AH ?

pink

I  
know  
....

pink

pink

don't  
trouble  
SenSei

:  
huh ?

I  
thought  
you guys  
got eaten  
by sharks

and  
died
